Velocity clear coat protection has been specially designed for today's modern finishes. Its silicon fortified formula not only exceeds all manufacturer's requirements for clear coat finishes, it helps to give your vehicle added shine and protection for up to a month! For use only in professional car washes, Blue Coral Velocity Clear Coat Protectant is the product of years of experience and research. And, it comes from a name American motorists have trusted for over 75 years: Blue Coral – ask for it by name!
