

## We cater all occasions

With Lukich's catering packages, we offer a variety of menu options to customize any event with your own personal selections. Just ask for Donna, set up an appointment to help plan your event, and leave the rest to us.

Let Donna personalize your event. Whether it is a formal wedding or back yard picnic, we can do it all. Just give us a call, and we'll assist you with the rest. Lukich Catering can provide you with delivery or you can simply pick up your order and go.

We can assist you with creating a menu for your event, even if the item is not listed in this brochure. We do custom banquets, so feel free to ask about any item if it is not listed here. Donna and her staff can work with you on any budget and will help to make your event a success.

Whether you are planning a reunion, a picnic, a company outing or a wedding, give us a call and we'll take care of the rest.

Our beautiful banquet room seats up to 60 people and is available for your next party. Let us help design your banquet in our room or yours.
