= Hamlin Pub Classic Favorites

Welcome to the friendliest Pubs in Chesterfield, Clarkston, Troy, Rochester Hills and Shelby Township. The Hamlin Pub was established in 1992 at the Northeast corner of Hamlin and Rochester roads with one goal in mind: to provide its' guests a warm, comfortable meeting place where they could enjoy delicious heart-warming food, chilled spirits, live entertainment and their local sports teams on multiple plasma & large screen televisions. From the very first time the doors swung open, we established ourselves as a Pub that stayed above the rest and welcomed the youngest child to the eldest statesman. You see, a good Pub is more than an urban bar. Like a perfect pint of Guinness, it settles over time and ages gracefully. Vibrant and full of character, there are no strangers here – only friends you have yet to meet. So sit back, relax your mind and let the Hamlin experience reward your soul!
