## Policies and Procedures:

A \$25.00 non-refundable deposit is generally due when we reserve your event. However, if a deposit is not received within 1 week from the date of the reservation, management reserves the right to cancel the reservation without further notifications.

Any changes to your reservation's date must be made at least 48 hours in advance and will be granted depending on availability.

An automatic 10% gratuity will be added onto your party's total bill if: you make any changes to your reservation's time on the day of your event, you are receiving a promotion, using a coupon or if you have 20 or more guests. A guest is defined by Odyssey Fun World as anyone in the party room.

There is a minimum of 10 paid participants for each room booking. Double or triple sized rooms may be available upon request. Each additional room requires another \$25.00 deposit and 10 more paid participants. For example, 2 rooms = 20 paid participants and a \$50.00 deposit.

No outside foods or drinks are permitted except birthday cake, cupcakes & ice cream.

Guests must follow all posted policies and procedures. The management reserves the right to add additional policies and procedures as it feels necessary.

Please remember that only paid participants with your party package receive the entertainment and food options. Chaperones will need to purchase additional items through their party coordinator. Odyssey Fun World reserves the right to substitute or modify packages as necessary.

Birthday party add-on discounts are only available during your reserved party room scheduled time.

Birthday parties receive 1 1/2 hours in a private party room which begins immediately after your party's scheduled reservation time, NOT THE TIME OF ARRIVAL. After the reservation time expires, guests must leave the private party room. Depending on availability, guests may be able to utilize a dining room table.

All guests, both children and chaperones, entering Exploration Adventure must wear socks. If a guest does not have socks, they may be purchased at the ticket booth.

Please review all age/height restrictions before your visit. If a participant does not meet age/height requirements for a party option (ie. Laser Tag or Exploration Adventure, excluding unlimited wristbands), this attraction may be switched for another party option.

Deposits are non-refundable and Odyssey Fun World has a no refund policy.

\*1 Pizza and Refillable Pitcher of Pop For Every  
5 Paid Participants During Scheduled  
Reservation.
